2020 Annual Campaign

100%

of funds collected during this campaign support scholarships for youth in our Inclusion program.

The YMCA Inclusion program assists children with special needs or disabilities in becoming independent, engaged and successful in their child care setting. Our positive and supportive approach focuses on behavior management and play, social and self-care skills development.

Your gift can provide a scholarship for a child with special needs to get a one-to-one facilitator in an Orange County afterschool program.

Our Campaign Goal is
\$15,000

Help people like Janet and her son, Jake...

"I cannot overstate how grateful I am for the amazing program and staff. They have gone out of their way to become more educated and learn about Jake's specific needs, as each child is different. Knowing my child is in such a warm, welcoming environment and safe with staff allows me to focus on what I need to accomplish during the day. The social experiences are a great opportunity for Jake and a benefit for his YMCA friends too."
