2020 Annual Campaign

**When you donate to the Laguna Niguel & Capistrano Beach Cities Family YMCAs, you make Orange County better through programs focused on:**

**Youth Development**

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development - all grounded in the Y's core values of Caring, Honesty, Respect and Responsibility.

**Healthy Living**

We help people and families build and maintain healthy habits for healthy spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

**Social Responsibility**

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

## Help people like Kim and her family...

**"This last year has been life-changing for our family since we found the YMCA. Through the scholarship program, we have been able to finally afford to get our kids involved in after school activities. Every parent wants the best for their kids and the Y helps us give them opportunities to learn and grow."**
