2020 Annual Campaign

100%

of funds collected during this campaign support our Financial Assistance Program and free programming for those who need it most.

When you donate to the Mission Viejo Family YMCA, you make your community better through programs focused on:

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development - all grounded in the Y's core values of Caring, Honesty, Respect and Responsibility.

Healthy Living

We help people and families build and maintain healthy habits for healthy spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

"Thank you from the bottom of my heart for providing me with financial aid so that I could return to work and my children could go to YMCA child care. If the YMCA did not offer financial aid, I would not have been able to afford the payments. Thank you for providing excellent child care for my children. I trust [the YMCA] staff 100% and know that my children are in a safe and caring environment at all times."
