2020 Annual Campaign

**When you donate to the New Horizons program, you make your community better through programs focused on:**

**Youth Development**

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development - all grounded in the Y's core values of Caring, Honesty, Respect and Responsibility.

**Healthy Living**

We help people and families build and maintain healthy habits for healthy spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

**Social Responsibility**

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

**Help people like Alexis and Joseph...**

"Adults with developmental disabilities typically go through life feeling isolated and alone. There are not a lot of programs available that offer the types of experiences and events that New Horizons offers. Joseph has been able to participate in many activities that he may not have had the opportunity to take part in if it were not for this program. He has had many fond memories over the years and has made some great friends along the way."
