2020 Annual Campaign

# 100%

**When you donate to the YMCA of Orange County, you make your community better through programs focused on:**

### Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development - all grounded in the Y's core values of Caring, Honesty, Respect and Responsibility.

### Healthy Living

We help people and families build and maintain healthy habits for healthy spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

### Social Responsibility

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

## Help people like Susan and her family...

**"My kids have enjoyed participating in programs at the Y since they have been little all because of the scholarship given to me. I am a working mom also trying to go to school, so extra activities are tough. My oldest is now entering junior high this year. She has benefited so much from the leaders and lessons learned."**
