2020 Annual Campaign

100%

When you donate to the Santa Ana Family YMCA, you make your community better through programs focused on:

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development - all grounded in the Y's core values of Caring, Honesty, Respect and Responsibility.

Healthy Living

We help people and families build and maintain healthy habits for healthy spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

Help people like Daniela and her family...

"I am very impressed with the swimming lessons the YMCA offers. In the last two months my daughter has lost her fear of the water and is excited to learn new skills. She looks forward to joining the swim team in the future. Thank you again for providing these activities in our community. Our family greatly appreciates all the hard work everyone does to make these programs available."
