

**CYD**

Dear Y Member,

The health and safety of our students, family and staff is always our top priority. We have been and continue to closely work with and follow the Orange County Health Care Agency (OCHCA), California Department of Public Health (CDPH), the Center for Disease Control (CDC), and World Health Organization (WHO) for updates and directives regarding Covid-19 (Coronavirus).

The YMCA will remain open until there has been a confirmed case or at the recommendation of the OCHCA. Should an extended closure occur (1 week or more) your account will be placed on hold and we will prorate your account accordingly.

We continue to take precautionary steps in our locations to ensure we provide the safest environment possible. We have increased cleaning protocols and frequencies to ensure all door handles, surfaces, supplies, books and other areas are sanitized. And we are asking that all staff and children wash their hands and/or use hand sanitizer consistently.

To support you and your family during this time, we have included a resource on how to help your children cope during this difficult time: <https://blog.chocchildrens.org/7-ways-to-help-kids-cope-with-coronavirus-covid-19-anxiety/>

For more information and updates regarding Covid-19, please visit:

[http://www.ochealthinfo.com/phs/about/epidasmt/epi/dip/prevention/novel\\_coronavirus](http://www.ochealthinfo.com/phs/about/epidasmt/epi/dip/prevention/novel_coronavirus)

We appreciate your patience and understanding as we all work to navigate this ever-changing situation.

We are thankful for you and your shared efforts to keep yourself, your families and the YMCA safe!

Dolores Daly

Chief Operations Officer
