

3.23.20

Dear YMCA Member,

We hope this message finds you and your family healthy and safe. We deeply appreciate your understanding and patience as we all try and navigate these challenging times. We are all operating in unknown territory right now, and we are working as quickly as we can to provide help to those in need and address your questions.

Currently, the YMCA of Orange County is being asked to help during this crisis and we need your help. Our community is experiencing a very serious situation. Many families providing essential services to support our communities' needs do not have child care. Hospitals, first responders, police, firefighters, military personnel, nurses and all those on the front lines helping us to end this pandemic.

Right now, we are offering care at 28 locations throughout Orange County. Each operating full-day, 6:45am - 6:00pm. In addition, we are working with local hospitals to develop onsite care for their staff. The need is real.

We cannot do this without you. Today, we ask that you strongly consider leaving your membership active during this time so that we can remain fully focused on our efforts to help our community. Should you choose to keep your membership active, please know how deeply

grateful we and those receiving the care are for your generosity. You will be able to claim this as a tax deductible donation while we are closed. If you would like to help, please complete the no-hold membership form at <https://ymcaoc.org/membership-non-hold-form/>.

Our next membership draft for those able to help will take place on April 1. Moving forward, draft dates will remain unchanged and we will handle your membership fees according to your selection. We also understand that you may have financial obligations; we will place your membership on hold at no cost during this time as previously stated.

We thank you for your continued support, and we offer our heartfelt gratitude for this consideration.

Jeff McBride

Chief Executive Officer
YMCA of Orange County
