

CHILD CARE ESSENTIAL SERVICES AVAILABLE FOR YOUR FAMILY

If you are in need of child care services to support your family during this time, the YMCA of Orange County can help. We currently have 28 locations open throughout Orange County and Pomona Valley to support children ages 5-12 in a safe and supportive environment.

Our Services

All services are available at all locations:

- Full-day care, 5 days per week, 6:45am – 6:00pm
- Nutrition – morning and afternoon snacks
- Curriculum-based activities
- Licensed & experience child care staff
- Special needs facilitator (as needed)

Safety Protocols

- All parents will sign an updated Liability Waiver that includes Covid-19.
- Check in and check out will be held outside of child care rooms to limit the number of individuals entering the building.
- All families will confirm a set of health statements prior to signing in.
- Any child that exhibits any sign of illness will not be accepted.
- Increased cleaning protocols and frequencies to ensure all door handles, surfaces, supplies, and other areas are sanitized overnight and ongoing throughout the day.
- Staff and children will follow Orange County Health Care Agency(OCHCA) protocols daily.
- Staff will disinfect and clean all classrooms and bathrooms at the end of the day and routinely throughout the program day.
- The YMCA will continue to communicate with OCHCA to ensure we have the most up to date information and if the situation arises in which we need to close a site, we will act accordingly.
