

# ISLANDERS

## How the Program Works

The Islanders program is geared towards youth age 12 and up or those who have graduated from the Adventure Guides program. Islanders offers an opportunity for dads and their children to continue to engage in activities together with less of a time commitment and events tailored to older youth.

### Events

Islanders events may include indoor skydiving, comedy night, go-kart racing, hiking, beach camping and more. There are no meetings, just monthly opportunities to have some fun.

### Financial Assistance

The YMCA is a non profit organization and will not turn anyone away due to their inability to pay. Our annual campaign gives families a chance to work together to raise funds for those most in need in our communities.
