Re: Shady Spring Middle School Addition

Dear Mr. Jarrett:

I would like to take this opportunity to express my appreciation and satisfaction for the exemplary manner in which your firm performed the referenced work.

The addition to the Shady Spring Middle School was constructed to the complete satisfaction of Raleigh County Schools and to my firm.

Your willingness to perform above and beyond the call of duty and the professionalism of your team caused the difficult addition work to be completed in a timely manner and without a trace of conflict.

It is my hope that you will remain interested in our projects and you will express interest in our future projects.

Thanks again for a job well done.

Sincerely,

J. Dan Snead, AIA
