2020 CONFERENCE Sponsorship

Want to increase your company/organization's exposure to Colorado produce growers and others within the industry? Consider a conference sponsorship. We offer both conference sponsorships, which provide a high level of concentrated exposure to conference attendees, as well as organizational (entire calendar year) sponsorships. Here is what you need to know about the Colorado Fruit & Vegetable Growers Association conference sponsorship program.

About Conference Sponsorship

When is the conference?

The 2020 Colorado Fruit & Vegetable Growers Association Conference is Feb. 24-25.

Who will attend?

Since its founding in 2014 and first conference in 2015, CFVGA has consistently attracted around 300 attendees, all of which are focused on supporting commercial fruit and vegetable growers of all scales, organic and conventional, plus direct and wholesale markets.

How can companies and organizations benefit from a conference sponsorship?

CFVGA is the go-to resource for Colorado fresh fruit and vegetable farmers. The annual conference includes CFVGA's annual meeting as well many educational sessions and networking opportunities. The accompanying trade show features about 40 vendors.
