

# Youth Farm Stands

*Denver Urban Gardens & Slow Food Denver*

February 2020

*Together, we cultivate gardeners, grow food and nourish communities*

# Welcome!

Partnership between Denver Urban Gardens,  
Slow Food Denver and local farmers.

Established in 2008.

DC Greens adopted program in 2013.

# What is a Youth Farm Stand?

A single-vendor farm stand on school grounds.

Students sell freshly harvested produce from the school garden and/or produce from local farms.

Model is adaptable to the needs and resources of the school and community.

# 2019 Results

6 weeks

31 schools

289 students

96 market days

11,000+ pounds of produce
