

STEWARDSHIP

We invite you to invest in and be a steward of this vision to heal communities. Through generous startup donations of friends and family, we have laid critical groundwork for Arukah to launch into a major enterprise in the Illinois Valley. Now we ask that you partner with us to propel our vision forward.

To date, startup funding has enabled us to:

- Provide a salary for 1 part-time staff member
 - Certify 2 yoga instructors in trauma-sensitive yoga practice
 - Train 12 core leaders that will build & sustain Arukah programs
 - Support Arukah branding & graphical content
 - Develop the Arukah web and video presence
-

Looking ahead, please consider the following categories of support to see where your giving may align with our mission:

- **SALARY SUPPORT**

- To secure pillar positions in our leadership; we are only as effective as the leaders we have in place to build relationships and implement our programs

- **TECHNOLOGY INFRASTRUCTURE**

- To support cloud data management, security, processing, as well as development of AppREstore for client data acquisition and monitoring

- **OPERATIONAL EXPENSES**

- To provide for the day-to-day functioning of Arukah; including but not limited to marketing costs, legal and licensing fees, insurance, and supplies for our programs
