

Eureka Township

Citizen Complaint Policy & Procedure for Ordinance Violations

Policy Intent:

Eureka Township is dedicated to maintaining the trust that our community has bestowed upon us. Therefore, our policy is to thoroughly investigate complaints regarding violations of township ordinance or other applicable laws and rules. If you feel that a violation has occurred, or if you directly witnessed a suspect action, we encourage you to file a formal citizen's complaint.

Once your violation complaint has been received, it will be investigated and the appropriate actions will take place to correct the violation. Please do not expect the violation to be corrected immediately, unless life safety is an issue, as our Ordinance Enforcement Officers have specific guidelines to follow to remedy the problem. In some instances, this may take a few days or a few months. Please understand that we want to work with the public and residents of Eureka Township and not against them. It is the Township's policy to allow the landowner to remedy the problem once they have been made aware of the violation. If they fail to act, the Township will take further legal action to correct the violation.

Our goal is to resolve these issues quickly and courteously. Your trust is important to us. If you would like to file a complaint, you can contact the township at (952) 469-3736, or come to our town hall and speak directly with the clerk.

Policy:

It is the policy of the Township to prevent instances of complaints insofar as possible and to deal promptly with those that occur. There is a separate policy for public complaints regarding the conduct or job performance of Township employees.

Procedure for Initiating Complaint:

Anyone who has personal knowledge of facts and wishes to file a formal complaint must do so in writing on the approved forms provided by the Township. Forms are available at the town hall and on the website. All complaints must be personally signed by the complainant. After investigating the complaint, the Township will advise you of their findings.

Procedure for the initial acceptance, investigation and final disposition of the complaint:

1. Upon receiving a written complaint, the Township Clerk shall review the form for completeness, then properly conceal all identifying information of the complainant in accordance with data practice requirements.
2. The Clerk will place the complaint on the agenda for the next regular Town Board meeting.

3. The Board will acknowledge receipt of the complaint and authorize two supervisors to investigate the complaint. If the investigation requires entry onto the property, permission to enter must be requested and obtained from the landowner. If permission is not granted, an administrative search warrant must be obtained before entering the property.

4. After the inspection has occurred, the two appointed supervisors shall report back to the Town Board at a regularly scheduled Town Board meeting, unless a special meeting is called. At that time, the Town Board shall decide whether or not enforcement actions should be taken.

5. Ordinance 8, Chapter 1 authorizes the Town Board to commence either a civil action or a criminal action. Under a civil action, the Town would seek an injunction enjoining the violation. In the case of a criminal action, a misdemeanor citation would be served. Under Ordinance 8, the penalty would be either a \$1,000 fine or 90 days imprisonment.

6. If criminal prosecution is determined, the matter would be forwarded to the Dakota County Attorney's Office for further action. If the Dakota County Attorney's Office declines to take further action, the Town Board has the authority to direct the Town Attorney to commence criminal proceedings.

Maintenance and Disclosure of Data

Maintenance and Disclosure of Data collected, created or received by the Township of Eureka in connection with this policy shall be in accord with applicable Federal Data Privacy Laws and the Minnesota Data Practices Act.
