### Recommendation:

#### Margie Wright - Director of Wheatland Spikes Player & Coach Development

"Gracie Vlach is a tremendous young athlete as well as a wonderful young woman and will make a very positive difference. I have had the privilege to watch and work with Gracie since my retirement of almost 40 years of coaching at the Division I level in 2013. She is one of those athletes that will work and work until she perfects a skill and always is looking to improve. She is extremely talented in several positions and a great slap/hitter. I would not hesitate to put her in any situation and know she will have success. She has a great personality and is a great teammate and team leader. She is everything a coach could ask for. Her love for the game is awesome and I recommend her to your program with a great deal of confidence that she will be a wonderful addition. Please feel free to contact me at any time."
