RE: Paul D. Cain, dba At your Service, LTD.

To Whom it May Concern:

As a private attorney I have availed myself of the legal services of Paul D. Cain as a researcher and paralegal as a contract worker from time to time.. His work has always been thorough and well done.

As an Arbitrator I have also used Paul D. Cain to research some difficult legal topics and his insight into thorny legal issues has been helpful and always professionally done.

If Paul still resided here in the Reno-Sparks area, I would be pleased to contract with him for various projects from time to time.

I have no hesitation in recommending Paul D. Cain's ability and his work ethic.

Please call if you have further questions.

Very truly yours,

Robert H. Broili  
Attorney at Law.
