GRANT HISTORY

Current Grants/Contracts

Agency:	<u>U.S. Veterans Health Administration Office of Rural Health</u>
Title:	Rural Suicide Prevention Enterprise Wide Initiative: Dissemination
P.I.:	Nathaniel Mohatt, Ph.D.
Project Period:	10/01/19 – 09/30/22
Description:	Disseminate and conduct a pragmatic trial of the Together With Veterans Rural Suicide Prevention Program in up to 34 communities. TWV applies a veteran-led approach to collaborating with rural communities on community-based suicide prevention. Dissemination includes managing training and technical assistance, evaluating program effectiveness, and refining the VA's strategies for preventing suicide among rural-dwelling Veterans.
Agency:	<u>U.S. Veterans Administration National Center for Patient Safety</u>
Title:	Patient Safety Center of Inquiry VA Suicide Prevention Collaborative
P.I.:	Bryann DeBeer, Ph.d. & Justin Benzer, Ph.D.
Role:	Co-Investigator
Project Period:	01/01/2018 – 09/30/2021
Description:	The Patient Safety Center of Inquiry will establish community partnerships in Waco, TX to ensure best suicide prevention practices reach all Veterans, including those not using VA care. Dr. Mohatt's role is to assist with coalition development and evaluation of community mental health systems improvement.
Agency:	<u>U.S. Veterans Health Administration Office of Mental Health and Suicide Prevention</u>
Title:	Assessing Social and Community Environment with National Data (ASCEND) for Veteran Suicide Prevention
P.I.:	Nathaniel Mohatt, Ph.D. & Claire Hoffmire, Ph.D.
Project Period:	07/01/2018 – 09/30/2021
Description:	Develop a national surveillance system to document prevalence and trends over time in non-fatal suicidal self-directed violence (i.e., suicide ideation and suicide attempt), and provide estimates of the impact of social and community risk and protective factors on suicide risk among Veterans. This project will focus on the Veteran population as a whole, not only those using VHA services, and will inform policy and service development, program evaluation, and quality improvement for Veteran suicide prevention

Agency: U.S. Veterans Health Administration Office of Rural Health
 Title: Rural Suicide Prevention Program: Development and Demonstration
 P.I.: Nathaniel Mohatt, Ph.D.
 Project Period: 10/01/16 – 09/30/21
 Description: Develop a scalable program for the Together With Veterans Rural Suicide Prevention Program in preparation for national dissemination. TWV applies a veteran-led approach to community-based suicide prevention. Development and demonstration includes developing a program manual and toolkit, building the dissemination infrastructure, and expanding program pilot testing to three demonstration sites and evaluating impact.

Agency: U.S. Veterans Health Administration Office of Mental Health and Suicide Prevention and Office Rural Health
 Title: Native Veteran Suicide Prevention Program Development
 P.I.: Nathaniel Mohatt, Ph.D.
 Project Period: 10/01/18 – 09/30/20
 Description: Develop and strategically test a model of suicide prevention that integrates VA evidence-based, system-wide approaches with culturally grounded Native American perspectives, traditions, and practices.

Agency: U.S. Veterans Health Administration Office of Mental Health and Suicide Prevention and Office Rural Health
 Title: Context of Rural Native Veteran Suicide and Suicide Behavior Development
 P.I.: Carol Kaufman, Ph.D.
 Role: Co-Investigator
 Project Period: 10/01/18 – 09/30/19
 Description: The aims of this project are: 1) Establish a collaboration between local VA suicide prevention coordinators and Tribal Veteran peer specialists to address needs of Native American Veterans at risk of suicide and facilitate access to appropriate VA and tribal based mental health services; and 2) Analyze VA data to characterize the risk of suicide among Native American Veterans.

Agency: Patient Centered Outcomes Research Institute
 Title: Coalition for Recovery and Innovation in Traumatic Brain Injury Care Across the Lifespan (CRITICAL)
 P.I.: Nathaniel Mohatt, Ph.D.
 Project Period: 01/01/2017 – 12/31/2018
 Description: CRITICAL will advance patient-centered outcomes for adults living with moderate to severe TBI through building a national coalition of patient and stakeholder partners; developing resources

for empowering individuals with cognitive impairments to collaborate on research; and developing a new patient-centered research agenda.

Agency: U.S. Veterans Health Administration Office of Rural Health
 Title: Context of Rural Native Veteran Suicide and Suicide Behavior
 P.I.: Carol Kaufman, Ph.D.
 Role on Project: Co-Investigator
 Project Period: 10/01/16 – 09/30/18
 Description: Analyze publically available data to characterize the risk of suicide among Native American Veterans; review the literature on Native and Veteran suicide prevention best practices; and recommend a strategy for addressing suicide risk among Native American Veterans.
