Here we become as one:
Our wedded life has begun;
Here we profess our love,
With a blessing from God above.

Close friends and fam'ly are here,
Those whom we love so dearly,
Here we will share more than joy today,
As we look to the Heaven's and pray:

Source of our Love and Life,
Guide us as husband and wife,
Walking and talking in harmony,
As our marriage is blessed by Thee.

Now with these golden bands,
Symbol of trust on our hands,
This circle that has no end
Says I'm always your Love and Best Friend.

Though skies may fill with rain,
Though we may feel life's painful;
Faithful to God who is ever there,
We offer our humble prayer:

Dear Source of our Love and Life,
Please, may we know peace without strife.
Learning and Loving in harmony,
May our marriage be blessed by Thee.
