

2020-2021 High School Student Supply List

The supplies listed below are supplies needed for each student. We ask that you please supply HOMEROOM SUPPLIES at orientation night or upon their first day of school. **Students need to arrive the first day with a student planner/agenda.** The rest of the items can be brought to each class and the teacher will determine how they will be used. Please have your students label their supplies. During the year, your teacher may request other classroom supplies. **All students will be required to wear a mask in the school computer lab.**

There will only be Pizza Friday's for the first nine weeks. All other day's students will be responsible for bringing their own lunch.
