

CAPABILITY STATEMENT

Company Summary

AAL Construction Services is a NYC, NYS, and PANYNJ certified WBE civil site work company that provides demolition and excavation, erosion and drainage, shoreline/wetlands restoration, and waste hauling services, among others.

Our fleet and equipment are suitable for small and large jobs, operated by highly skilled staff with a combined experience of 80 years in the construction industry. AAL has a perfect safety record made possible by experienced workforce with an array of certifications and licenses and a strong health and safety program. Our seamless communications with clients brings an unwavering focus and a personal touch to each project.
