PRESIDENT'S REMARKS

by Donna Dennis

Thanks to all of you at Monday's meeting. We had a great speaker in Rob Lorei, and could have asked him questions for hours. If you're not familiar with him, catch his program, "Florida This Week," every Friday on WEDU PBS from 8:30 – 9 pm.

One quick political action you can take right now and it only takes a couple minutes: The Senate Committee on Homeland Security is **COUNTING CALLS** before it decides whether to approve Steve Bannon's appointment to the National Security Council. The number is 202-224-4751. No one will answer but you can leave a message. Just indicate your name (first name is sufficient), that you're from Florida, and that you are an American citizen. Then say "Don't approve Steve Bannon's appointment to the NSC." That's all there is to it. He's the puppet master pulling Trump's strings and is a menace to our nation.

On the other hand, we have a wonderful event planned for Sunday, April 30th. **SAVE THE DATE!** This is our DWCUP Membership Tea. The theme is Democratic Women "SPRING INTO ACTION!" Look for the flyer in this newsletter (or sent as a separate eblast).

Legislative Update

by Carrie Wadlinger

We included multiple political actions in our last meeting. One of them is below. Feel free to send it yourself or use it as a model.

On the next page(or page after) is the pink slip for President Trump. Send it on any color or a postcard and mail on March 15th.

March 2, 2017

U.S. Senator Marco Rubio
United States Senate
284 Russell Senate Office Bldg.
Washington, DC 20510

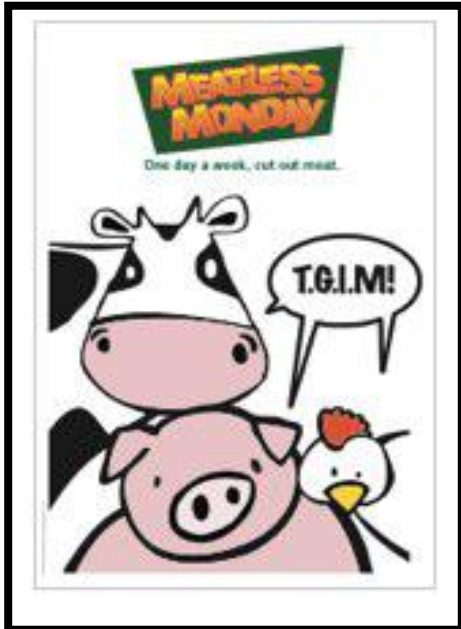

Senator Rubio-- STOP HIDING. Do your job!

I am outraged that a woman's reproductive freedom has been under constant attack from anti-choice extremists. I urge you to oppose all anti-choice, anti-woman measures and support comprehensive family-planning initiatives and legislation that protects a woman's reproductive rights.

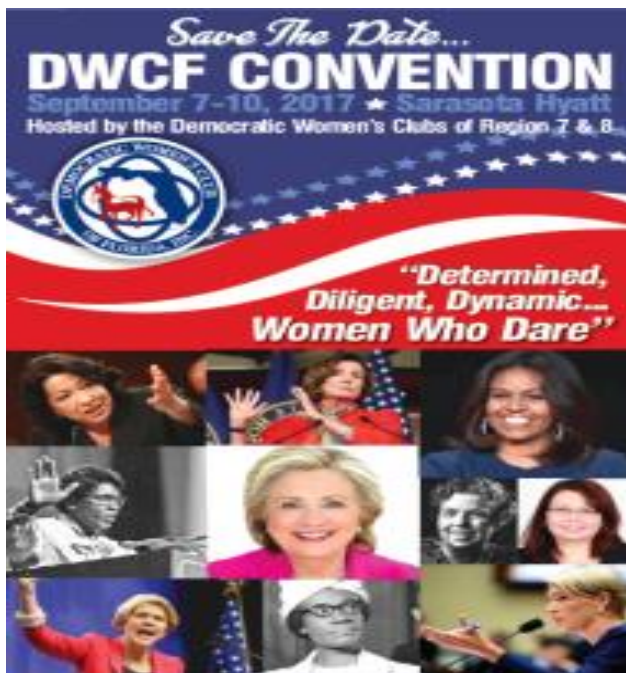

Please do everything in your power to ensure that abortion care remains safe, legal, and available in this country. I will heavily consider your actions on these matters of utmost importance when considering who I want representing me in Congress.

Sincerely,

Why Meatless?

Because going meatless once a week may reduce your risk of chronic preventable conditions like cancer, cardiovascular disease, diabetes, and obesity. And going meatless once a week can also help reduce our carbon footprint and save precious resources like fossil fuels and fresh water.

President Donald J. Trump

The White House

1600 Pennsylvania Avenue NW

Washington, DC 20500

Dear Mr. Trump,

This letter is to inform you that you have not met the requirements of the job for which you were just hired to do.

You plan to defund Planned Parenthood even though they help thousands and thousands of women everyday with health issues.

You plan to replace ACA when millions of Americans will go without healthcare.

Sincerely,

YOU'RE FIRED
