

The following questions will ask about thoughts, feelings, or experiences that you may or may not have had. The same questions are asked of everyone. There are no right or wrong answers. Please answer the questions honestly. When answering questions, consider only those times when you were fully awake, did not have a fever, and were not using drugs to get high.

| <b>During the past 30 days...</b> |  | <i>Never</i> | <i>Rarely</i> | <i>Sometimes</i> | <i>Often</i> | <i>Always</i> | <i>TOTAL</i> |
|-----------------------------------|--|--------------|---------------|------------------|--------------|---------------|--------------|
| 1.                                | I was unsure if my experiences were real.                                      | 1            | 2             | 3                | 4            | 5             |              |
| 2.                                | I thought my daydreams might be real.  | 1            | 2             | 3                | 4            | 5             |              |
| 3.                                | I thought I was outside my body observing my own life.                         | 1            | 2             | 3                | 4            | 5             |              |
| 4.                                | I thought something strange was going on, but I did not know what it was.      | 1            | 2             | 3                | 4            | 5             |              |
| 5.                                | I thought other people could hear my thoughts.                                 | 1            | 2             | 3                | 4            | 5             |              |
| 6.                                | I thought people might be able to read my mind.                                | 1            | 2             | 3                | 4            | 5             |              |
| 7.                                | I thought that things happening around me might have a special meaning for me. | 1            | 2             | 3                | 4            | 5             |              |
| 8.                                | I felt strange sensations on or under my skin that I could not explain.        | 1            | 2             | 3                | 4            | 5             |              |
| 9.                                | I thought people were spying on me.  | 1            | 2             | 3                | 4            | 5             |              |
| 10.                               | I thought people might be plotting against me.                                 | 1            | 2             | 3                | 4            | 5             |              |
| 11.                               | I felt like I had to watch everything around me in order to feel safe.         | 1            | 2             | 3                | 4            | 5             |              |
| 12.                               | I felt like thoughts were being placed in my head against my will.             | 1            | 2             | 3                | 4            | 5             |              |
| 13.                               | I had difficulty knowing if the world around me was real.                      | 1            | 2             | 3                | 4            | 5             |              |
