

Volunteer Individual Opportunities

Regardless of our WI cold weather, work, family schedules and other life factors, our dedicated volunteers consistently show up each year to set up this fabulous light show. Building new awesome displays, fixing the old ones to look new again, replacing to all LED lighting, and setting up everything is just part of what our volunteers do.

Volunteering is fulfilling and definitely will boost your holiday spirit levels!

We need your help.

Thank You For Helping Us Keep the Lights On!

The Oshkosh Celebration of Lights is an affordable family event completely planned, organized, displayed, decorated and staffed by volunteers working year-round.

Proceeds from the event go to support the Military Veteran's Museum, Honor Flights, Gifts for Toys for Tots, provides supplies and donations for the Oshkosh Area Humane Society and collects non-perishable food items for local pantries.

This year the Oshkosh COL will be held:

Fri. November 29, 2019 - Sat. January 4, 2020
5:30 - 9:00 PM
