The Bear Song

[Tune: Sippin' Cider)

The other day, I saw a bear
A great big bear, away out there.
He looked at me I looked at him.
He sized me up I sized up him.

He said to me, "Why don't you run?
I see you isn't, got any gun."
And so I ran, away from there,
But right behind, me was that bare.

Ahead of me, there was a tree
A great big tree Oh lucky me!
The nearest branch, was ten feet up.
I'll have to jump, and trust my luck.

And so I jumped into the air,
But I missed that branch o-way up there.
Now don't you fret, and don't you frown,
I caught that branch, on the way down.

That's all there is, there ain't no more
Unless I see that bear once more.

Bicycle Built For Two

Daisy, Daisy,
Give me your answer do
I'm half crazy,
All for the love of you
It won't be a stylish marriage
I can't afford a carriage
But you'll look sweet
Upon the seat
Of a bicycle built for two

Michael, Michael
Here is your answer true.
I'll not cycle
Over the world with you.
If you can't afford a carriage,
There won't be any marriage.
'Cause I'll be darned,
If I'll be seen
On a bicycle built for two!

Chocolate Chip Cookies

(CHORUS)
Chocolate chip cookies, you got to have more.
You can bake 'me in the oven or buy 'me at the
store.
But whatever you do, have 'em ready at the
door,
And I'll Love you forever more.
Boom, boom, boom.

They're made out of sugar, butter and flour,
You can bake 'em in the oven in about half an
hour.
But the thing that gives them their magical
power
Is the chocolate chips inside.
Boom, boom, boom. CHORUS

You can't eat one, you can't eat two.
Once you start chewing, there's nothing you can
do.
But clean the plate and eat the crumbs too.
Then go out and buy some more.
Boom, boom, boom. CHORUS

When I die, I don't want wings,
A golden halo, or a harp that sings.
Give me a book, a fire
And someone who brings me chocolate chip
cookies all day.
With milk please!

Daisy

There's a daisy on my toe
It is not real, it does not grow
It's just a tattoo of a flower,
So I look pretty while takin' a shower.
It's on the second toe of my left foot.
A stemless flower, it has no root.
Why? Cause that wouldn't look good!
There's a daisy on my toe, my right foot loves
my left foot so!

A ding dong, sent the train a mile back.

A ding dong, she threw them into the sky.

A ding dong, now Superman refuses to fly.

A ding dong, she threw them onto the floor.

A ding dong, all the roaches moved next door.

A ding dong, she threw them into a boat.

A ding dong, now that boat just won't float.

Growing up Girl Scouts

(Tune: Brownie Smile Song)

Daisies
"I've something in my pocket..."
That's what the big girls say.
I'll have a pocket of my own,
When I wear brown someday.
My life is bright and easy,
I smile most of the day.
'm having loads of fun now,
I sing and laugh and play!

Brownies

I've something in my pocket,
That belongs across my face.
I keep it very close at hand
In a most convenient place.
I bet you'll never guess it
If you guessed a long, long while.
I'll put it on and show you now,
It's a great big Brownie Smile!

Juniors

"I've something in my pocket..."

That's what I used to say.
I spent my time so aimlessly,
At home, at school, at play.
Now every day is special,
I'm searching, who am I?
Only I can find that out,
Please let me have a try!

Cadettes

"I've something in my pocket..."
That's what I used to say.
Playing childhood games with friends,
Seems just like yesterday.
I'm becoming a young woman,
Soon I'll be a child no more.
There's loads of opportunities
And so much more to explore.

Seniors

"I've something in my pocket..."
That's what I used to say.
Then mother nature waved her hand
And childhood flew away.
Today my needs are different,
I wonder, "What will I be?"
I'm making life decisions now,
The choices are up to me.

Leaders

I have something in my pocket,
That's what we always said,
But now we are the leaders,
Teaching them instead.
We teach them when they're young,
We guide them when they're old,
We watch them grow up strong and tall,
And that is our reward.

Hermv the Worm

Sittin' on a fencepost, cheweing my bubblegum
(chew, chew, chew, chew)
Playin' with my yo-yo, whoo whoo!
When along came Hermv the worm
He was this big (make a motion as if measuring
a tiny worm)
And I said, "Hermv, What happened? "I ate my
Mother."
(repeat verse, with worm getting larger and
larger)
"I ate my Father
"I ate my Brother."
"I ate my Sister."
"I ate my Dog."
(repeat verse one last time, with a tiny worm
action for:)
"I burped."

I Wish I Were a Little Bar of Soap

Oh I wish I were a little bar of soap,
Bar of soap
Oh I wish I were a little bar of soap,
Bar of soap
For I'd slippy and I'd slidy
Over everybody's hidey
Oh I wish I were a little bar of soap

Oh I wish I were a little mosquito,
Little mosquito
Oh I wish I were a little mosquito,
Little mosquito
For I'd nippy and I bity
Under everybody's nightie
Oh I wish I were a little mosquito

Oh I wish I were a little bottle of pop,
Bottle of pop
Oh I wish I were a little bottle of pop,
Bottle of pop
For I'd go down with a slurp
And I'd come up with a burp
Oh I wish I were a little bottle of pop

Oh I wish I were a little English sparrow,
English sparrow
Oh I wish I were a little English sparrow,
English sparrow
For I'd sitty on the steeple
And poo on the people
Oh I wish I were a little English sparrow

On the Loose

*(CHORUS) On the loose to climb a mountain, on
the loose where I am free.*

*On the loose to live my life the way I think my life
should be.*

*For I only have a moment and a whole world yet
to see.*

I'll be looking for tomorrow on the loose.

Have you ever watched the sunrise turn the sky
completely red?

Have you slept beneath the moon and stars, a
pine grove for your bed?

Do you sit and talk with friends, though a word is
never said?

Then you're just like me and you've been on the
loose. CHORUS

There's a trail that I'll be hiking just to see where
it might go.

Many places yet to visit, many people yet to
know.

So in following my dreams, I will live and I will
grow

On the trail that's out there waiting, out there on
the loose. CHORUS

So in search of love and laughter I'll be traveling
'cross this land.

Never sure of where I'm going for I haven't any
plans.

So in time, when you are ready, come and join
me, take my hand,

And together we'll share life out on the loose.

CHORUS

On Top of Spaghetti

On top of spaghetti
All covered with cheese
I lost my poor meatball
When somebody sneezed

It rolled off the table
And on to the floor
And then my poor meatball
Rolled out the door .

It rolled in the garden
And under a bush
And then my poor meatball
Was nothing but mush

Oh, the mush was as tasty
As tasty could be
And early next summer
It grew into a tree

The tree was all covered
With beautiful moss
It grew lovely meatballs
And tomato sauce

So if you eat spaghetti
All covered with cheese
Hold on to your meatball
And don't ever sneeze.

Penguin

Have you ever seen,
A penguin come to tea?
Take a look at me,
A penguin you will see

Popcorn Man

[tune: Do You Know the Muffin Man]

O do you know the Popcorn man,
the popcorn man, the popcorn man.
O do you know the popcorn man that lives in
(daisy, brownie, junior) land.

(One girl is chosen popper and the rest are in a
circle around her. All are singing but only she is
popping (jumping up and down) and then all
sing:)

Oh yes, I know the popcorn man,
the popcorn man, the popcorn man,
oh yes. I know the popcorn man that lives in
brownie land .

(At this point the popper hops in front of another
girl and they both are popping inn the
center. Song starts over, until they all are
popping .)

Princess Pat

The Princess Pat
Lived in a tree.
She sailed across
The seven seas.
She sailed across
The channel too.
And took with her
The rig of bamboo.

*(CHORUS) The rig of bamboo,
Now what is that?
It's something made
By the Princess Pat.
It's red and gold
And purple too.
That's why it's called
The rig of bamboo.*

Now Captain Jack
Had a mighty fine crew.
They sailed across
The channel too.
But their ship sank
And yours will too,
If you forget
Your rig of bamboo.
CHORUS

Puff the Magic Dragon

Chorus:

*Puff the magic dragon lived by the sea,
And frolicked in the autumn mist, in a land
called Hanalee*

Little Jackie Paper loved that rascal Puff,
And brought him string and sealing wax and
other fancy stuff
Together the world they traveled, on a boat with
billowed sails,
Jackie kept a lookout perched on Puff's gigantic
tail.
Noble kings and princes would bow when er'e
they came,
Pirate ships would lower their flags when Puff
roared out his name

Chorus

A dragon lives forever, but not so little boys.
Painted wings and giant's rings, make way for
other toys.
One gray night it happened, Jackie came no
more,
And Puff that mighty dragon he ceased his
fearless roar.
His head was bent in sorrow, Green scales fell
like rain,
Puff no longer went to play along that Cherry
Lane.
Without his life-long friend, Puff could not be
brave,
So Puff that mighty dragon, sadly slipped into
his cave.

Chorus

One bright morn it happened, Puff woke from a
dream.

He thought he heard a familiar voice and
Jackie's smile it seemed.
He looked around his cavern and over by the
door,
Stood a little boy with a piece of string and a
smile he'd seen before.
He said, "Hello, I'm Billy. My dad told me your
name.
He said I'd find you in your cave along the
Cherry Lane."
Puff the magic dragon smiled in his joy
He'd never be alone again, for this was Jackie's
boy!
Chorus

Singin' In the Rain

**[motion song; do each motion, end up doing
all 8]**

(twice)
I'm...thumbs up!

Add: shoulders back

knees bent

*(chorus) Running Bear loves little White Dove
with a love as big as the sky.*

*Running Bear loves Little White Dove with a love
that Never dies.*

On the one side, of the river, stood Running
Bear, Young Indian brave.
On the other side, of the river, stood a lovely
Indian Maid.
Little White Dove was her name, what a lovely
site to see.
But their tribes fought, with each other. So their
love could never be.
(Chorus)
Running Bear dove into the water. Little White
Dove did the same.
As they swam out to each other, to their swirling
depths they came.
First their eyes met each other Then the river
pulled them down.
Now they'll always, be together, in that happy
hunting ground.
(Chorus)

Just you wait until we're older, Then you'll see, then you'll see.

We'll be women in tomorrow's history, history.

As we grow up through the years, we can sing out loud and clear,

Can we start the process here, Yes we can, Yes we can!
