Songbook

Monday

Green Trees

Green trees around us, blue skies above
 Friends all around us, in a world filled with love
 Taps sounding softly, hearts beating true
 As we all say, goodnight to you.

The Astronaut Song

(Sung to “The Pirate Song”)
 When I was one
 I sucked my thumb
 The day I went to space
 I climbed aboard a rocket ship
 And the pilot said to me
 “We’re going this way, that way
 Forwards, backwards,
 Over the Milky Way
 A juicy plum to fill my tum
 And that’s the life for me
 2: tied my show
 3: scraped my knee
 4: swept the floor
 5: did the jive
 6: picked up sticks
 7: met an alien named Kevin
 8: had to wait
 9: stood in line
 10: I said THE END.

The Penguin Song

Penguins Attention!
 Penguins Begin!
 Have you ever seen
 A Penguin come to tea?
 Take a look at me!
 A penguin you will see!
 Penguins Attention!
 Penguins begin!

Keep repeating adding new movements
 Right Arm lifting up and down at side
 Left Arm lifting up and down at side
 Right Leg lifting up and down at side
 Left Leg lifting up and down at side
 Spinning

For last verse use:
 Penguins
 Dismissed!

Star Trekin

Chorus:
Star Trekin across the universe
On the star ship Enterprise
Under Captain Kirk!
Star Trekin across the Universe
Always going forward cuz we can't find reverse.

There's cling-ons on the starboard bow,
starboard bow, starboard bow.
There's cling-ons on the starboard
bow, starboard bow, Captain.
There's life Jim but not as we know it, not as we
know it, not as we know it
There's life Jim but not as we know it, but not as
we know it, Captain.
We come in peace, we come in peace, we come
in peace man!
(Chorus)

I'm A Little Piece Of Tin

I'm a little piece of tin
Nobody knows what shape I'm in
I got four wheels and a running motor
I'm not a Chevy and I'm not a Ford
Honk Honk
Rattle Rattle
Crash
Beep Beep
Honk Honk
Rattle Rattle
Crash
Beep Beep
Honk Honk

Wednesday

Canadian Taps

Come we all,
Say goodnight
As the shadows
Still cling to the edge of night.
With each burning dying ember
There are friendships to remember
As we sing...
One last good-night,
Good-night,
Good-night

Do Re Mi Star Wars Version

Poe, we cheer! He's brave no fear.
Ray, was dropped in Jakku's sun.
Finn, a name, he calls himself.
Han, was killed by his own son.
Nooo, now Chewie lost his friend.
Luke, prefers to live alone.
Ren, he keeps his grandpa's head.
And that will bring us back to Poe, Poe, Poe,
Poe.

Tomorrow we do it all again!

Thursday

Going to Kentucky Space Version

Higher higher higher
We blast up really high
Faster faster faster
We soar across the sky

What's on the horizon?
What do you see?
It looks like a *fill in the blank* (planet, star, sun, asteroid)
Somewhere we should be.

However will we get there?
We're going way too fast
Time to put the brakes on
Oh no we've gone right past

Astronaut

(Sung to “Bungalow”)

Camper A: Hey [*name of camper B*]

Camper B: Hey what?

And this is how I astronaut! (*does a unique silly dance*)

The song continues with the person who showed off their “astronaut” choosing the next camper, and so on.

Noble Captain Kirk

(Sung to “The Grand Old Duke of York”)

The noble Captain Kirk

He had five hundred men

He beamed them up to the Enterprise

And he beamed them down again

Now when they’re up, they’re up

And when they’re down, they’re down

And when they’re only halfway up

They’re nowhere to be found!

Once A Girl Scout Went to Camp

(Sung to "Head, Shoulders, Knees & Toes")
Once a Girl Scout went to camp, went to camp
Went to camp without a lamp, without a lamp
When she saw a spider in her bed,
This is what that Girl Scout said, Girl Scout said

Oh spider go away, go away
Come back another day, another day
You should listen to what my Girl Scout leader
said:
"No two bodies in one bed, in one bed"

Once a Boy Scout went to camp, went to camp
Went to camp without a lamp, without a lamp
When he saw a spider in his bed
This is what that Boy Scout said, Boy Scout said:
"AAAAAAAAAAH!!!!"

Percy the Pale Faced Polar Bear

Waaaaay up in the land of ice and snow
Where the temperature drops to forty below
Who's the happiest one up there???
Percy the Pale-Faced Polar Bear!

Sleeps all day, and then at night
Catches some fish by the pale moonlight
Has no worries, has no cares
Percy the Pale-Faced Polar Bear!

Then one day a Hunter came!
Caught poor Percy by the snout!
Put him in a great big cage...
Percy HOWLED, and he GROWLED
But he couldn't get out!!

Now he's living in a zoo...
Funny thing is he likes it too!
Cuz he met his girlfriend there
And she loves
Percy the Pale-Faced Polar Bear
Whoooooo???
Percy the Pale-Faced Polar Bear!!!

The Princess Pat

(Repeat Song)

The Princess Pat
Light Infantry
She sailed across
The seven seas
She sailed across
The Channel two
And she took with her
A Rig a Bamboo

Chorus:

A Rig a Bamboo
Now, what is that?
It's something made
By the Princess Pat
It's red and gold
And purple too
That's why it's called
A Rig a Bamboo

Now the Captain Jack
Had a mighty fine crew
They sailed across
The channel two
But their ship sank
And so will you
If you don't take
A Rig a Bamboo

(Chorus)

Now the Princess Pat
Saw Captain Jack
She reeled him in
And she brought him back
She saved his life
And his crew's too
And do you know how?

With the Rig a Bamboo
(Chorus)

Weenie Man

I know a weenie man
He owns a weenie stand
He sells most everything
From hot dogs on down down down down
Someday I'll join his life
I'll be his weenie wife
Hot dog! I love that weenie man
Break it down
A weenie weenie weenie
On a bun bun bun
With mustard sauce
A weenie weenie weenie
On a bun bun bun
With ketchup too, woo!
A weenie weenie weenie
On a bun bun bun
With lots of relish.
