RE: MAAC Staff & Operations Impacts - COVID-19 Pandemic Update

Dear MAAC Familia,

This evening, Governor Newsom issued a Stay At Home order, asking people to stay at home, except for essential needs. The following link will take you to the CA website for information: [CA Stay At Home](#).

In light of this, **tomorrow, March 20, 2020, all MAAC offices will close**, with the exception of our recovery homes, Casa de Milagros and Nosotros.

Though tomorrow will be a paid work day for all MAAC staff members, we urge you to stay home and focus on your family members and loved ones. We have all been carrying extra pressures during the last few weeks; as much as possible, please take time participate in activities that bring you peace, and take a bit of weight off your shoulders.

MAAC's leadership team will be tracking developments over the weekend. We will send updated communication to you prior to the start of the workday on Monday, March 23.

As a team, we are here for each other now. In the aftermath of this, we will need to be there for the most impacted families.

Thank you for your passion, dedication and fortitude.

Sinceramente,
