SERIES

HOW ALIGNED ARE EDUCATIONAL PROGRAMS TO LIVING WAGE JOBS IN THE INLAND EMPIRE?

JOIN US FOR AN EDUCATION & WORKFORCE DATA WORKSHOP SERIES FACILITATED BY WESTED:

EQUITABLE PATHWAYS
TO ECONOMIC
OPPORTUNITY
IN THE INLAND EMPIRE

WORKSHOP 1 (SEPT 11): UNDERSTANDING OUR DATA ECOSYSTEM

WORKSHOP 2 (OCT 23): LEVERAGING DATA TO COLLECTIVELY BUILD CAREER PATHWAYS

WORKSHOP 3 (NOV 13): BACKWARDS MAPPING SKILLS AND COMPETENCES

WORKSHOP 4 (DEC 11): ASSESSING PROGRESS TOWARD SHARED GOALS

ALL WORKSHOPS WILL BE VIRTUAL, FROM 9AM-12PM. WORKSHOP CONTENT IS INTERCONNECTED. ATTENDANCE AT ALL FOUR SESSIONS IS HIGHLY ENCOURAGED.

WHY CROSS-SECTOR DATA?

Charting our course post-COVID and in promotion of racial equity, we must build the regional capacity of key stakeholders to effectively utilize education, workforce, and industry data and strengthen system integration so that all individuals, especially Black, Indigenous, and People of Color, can earn marketable degrees and credentials and achieve self-sufficient wage jobs.

WHO SHOULD PARTICIPATE?

Administrators, researchers, faculty, Guided Pathways leads, business leaders, equity advocates, and others with a interest in data.

K-12 - Adult Education - Workforce Development - Higher Education - Nonprofit - Economic Development - Business
