Dear Cecil,

*"I am so thankful for the Health Wagon. For me and my family, it is our only refuge. Without this organization, I don't know if I would be alive today."* ~Darlene Stanley, Health Wagon Patient

Thank you for your generous donation of \$5,000.00. This donation will enable the Health Wagon to reach more people this year than ever before.

- **7,454 patients use the Health Wagon as a medical home.**
- **Coordinators of the nation's largest medical outreach, Remote Area Medical.**
- **In fact, every dollar donated to the Health Wagon is approximately \$100 reaped in health care benefits.**

There are 150,000 people in our six-county service area. It is estimated that 1/3 of the people are in poor health. The people of the Appalachians are hardworking, self-reliant and reluctant to seek any help. Many of the patients work at two to three jobs to make ends meet. The traveling medical van and our two permanent locations serve more than 7,454 patients who consider the Health Wagon their medical home.

Your gift will allow the Health Wagon to reach more patients through more staff, replacement of equipment, and new medical outreach programs. Again, thank you.

Sincerely,

Teresa Tyson, DNP, MSN, FNP-BC  
Executive Director  
The Health Wagon
