Dear Cecil,

We are truly grateful for your faithful and generous support to Youth For Tomorrow and the boys and girls we serve. Your generous gift of \$50,000.00 will ensure YFT the ability to continue to influence and impact the lives of many children throughout our community!

Thank-you for your gift towards our "Fund For the Unfunded". Your generous contributions help us to continue to provide for victims of sex-trafficking and the many children who are neglected, homeless, abused and need a home. They all need to be loved and cared for to save them from a life of hopelessness and despair. Youth For Tomorrow gives them hope and a promise for a brighter future through our residential programs and behavioral health services. Every child's story of success, and the redirection of their lives is attributed to you, our faithful and generous donors.

Please retain the following information for your records:

Dear Cecil,

Thank-you for your generous gift of \$4,000.00 in support of Coach Gibbs Game Plan for Life event being hosted on YFT's campus. During his presentation, Coach Gibbs will share his testimony- touching on his life accomplishments of being a Super Bowl-winning coach and owner of Joe Gibbs Racing with three NASCAR Sprint Cup Series Championships- and capitalizing on his greatest accomplishments of his family and his faith. Thank-you for your commitment to being a part of a historical event as a part of our Youth For Tomorrow family.

This outreach event, co-hosted by Park Valley Church in Haymarket will be an unprecedented event to bring the community together to hear Coach Gibbs share God's Game Plan for Life!

With our most heartfelt appreciation!
