Dear Mr. Pruitt,

We were entirely overcome with gratitude upon receiving your gift of \$25,000 to the Alexandria Tutoring Consortium (ATC) on January 14, 2021. This donation will make an immediate and enormous difference, especially right now as more and more students are falling behind due to the continued closure of our public schools.

ATC has been tutoring struggling readers for 24 years. Since April, we successfully adapted our Book Buddies program for Zoom delivery. We are currently helping 150 at-risk students learn to read, and your donation means that RIGHT NOW we can expand to serve more children, and to serve them through the summer. Learning to read changes not only a child's life, but that child's children's lives as well. Your generosity will have a lasting impact on today's kids and future generations.

THANK YOU for helping ATC prevent kids from slipping through the cracks, putting them instead on a path toward reaching their full potential. We are honored to have your support.

Executive Director
