Dear Mr. Pruitt and Board Members of the Pruitt Foundation,

DiepCJourney Foundation is deeply moved by your generous donation of \$20,000. Serving a global community of women and men to improve their lives after being affected by breast cancer is our mission.

Your support of the Foundation will be used to provide education, support, and resources to empower women and men with information to make an informed decision about options for breast reconstruction after a mastectomy.

Your contribution is tax deductible and no goods and/or services were exchanged for this gift.

Please know that DiepCJourney Foundation overflows with gratitude as you walk alongside us on this Journey not only financially, but more importantly, to positively impact the lives of so many. The Foundation could not do this without your support.

The Foundation hopes you will begin to consider how you can continue to support us across time through the development of various projects.

Continuing the Journey with Gratitude ~
