Chantilly, VA 20151-1757

Dear Cecil,

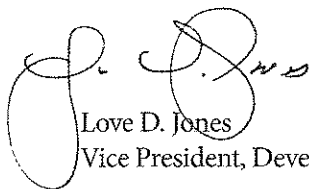

On behalf of Dr. Jones and our Youth For Tomorrow community, our most heartfelt appreciation to you for your generous support of our mission. Without question, 2020 was the most difficult year many of us have ever faced. It was a time of hardship and a sense of darkness for so many, with children and families in our communities struggling tremendously. However, because of you, Youth For Tomorrow remained a bright light and a beacon of hope to those in desperate need.

Thanks to your generous total contributions of \$25,000.00 in 2020, and your heart for making a difference, we were able to keep our operations running at full capacity. We continued welcoming teens into our residential treatment program without missing a beat. Our behavioral health services moved all appointments online to offer virtual counseling and we are serving record numbers. Our medical services team was in high gear keeping our campus community as healthy as possible. And our devoted staff, the lifeblood of our operations, kept YFT running 24/7.

Even through a time as challenging as the pandemic, lives continue to change in positive, powerful ways at Youth For Tomorrow. Healing continues. Children once lost and broken are becoming whole again.

Thank you for being such a faithful friend to Youth For Tomorrow and for walking with us through the difficult days of 2020 with such loyalty and devotion.

Wishing you and your family a safe, healthy and prosperous New Year!

Love D. Jones  
Vice President, Development and Public Relations
