

# LACEY SUNRISE LIONS

## APPLE SALES

**SEPT to OCT 2021**

Dear Lacey Sunrise Lions,

It's September and you know what that means...time to sell Fuji apples, truly a COVID-proof activity. This activity is one of our biggest fund raisers of the year, and it takes everyone's help to make it work. I know we can count on you to sell at least 10 boxes of apples.

**HOW IT WORKS:** You take orders for the apples from your friends, co-workers, family and neighbors for \$40 per box. Place your preliminary order through Mike Ragan by October 1<sup>st</sup> and your final order by October 15<sup>th</sup>.

Around October 22<sup>nd</sup>, the apples are delivered fresh-picked from Wenatchee washed, graded and packed exclusively for us from the orchard the Lions have worked with for over fifteen years. You will never taste a fresher, tastier Fuji apple. The apples will be delivered to the Thurston County Food Bank and Mike will let you know when to pick them up, around the end of October. Then you deliver them to your customers and enjoy their reaction when they receive this big, beautiful box of apples!
