PRESCHOOL HAPPENINGS

From Mrs. Westphal

The Most Important Part of Our Day

Our Bible lesson is "The Birth of Isaac" found in Genesis 17, 18 and 21. The children are learning that even though Abraham and Sarah were very old, God kept his promise and gave them a son. Their descendants became as numerous as the stars in the sky. Jesus, our Savior, was one of their descendants.

4K is learning "Luther's Morning Prayer" at Bible lesson time. They are practicing it at the beginning of the day and will be able to use it in chapel also.

Weekly Theme: Apples

in gym: "Ring Around the Apple Tree" and Mashing Apples

in song: "The Apple Tree", "A-p-p-l-e" (to "Bingo")

with books: Apples from Farm to Table, and Johnny Appleseed, My Story

in art: Family Apple Trees with handprint leaves

in centers: apple/worm stencil, apple baskets 1-12, apple count and clip cards, alphabet apple

4K Reading Readiness

4K is finishing up the first unit of reading readiness. Reading folders will go home on Friday. A parent letter will be included. Please take all papers out of the folder and send it back again in your child's backpack. Thank you!

3K - Numbers

We've added another way to practice our numbers. A big number is put on the easel. Children take turns tracing the number with finger pencils while others write the number in the air.

The Butterfly

Last Thursday, as we viewed the chrysalis it looked dark. We could see orange and black butterfly wings through the chrysalis which had become clear. After Mrs. Westphal finished her lunch she was surprised to see that the butterfly had emerged from the chrysalis. She

was able to share the news with the 1st grade class in the hallway. The butterfly dried and exercised his/her wings. When 4K arrived on Friday they were excited to see the new guest. Just before the end of the morning, the butterfly, which we named JoJo, was taken outside. As soon as the jar was opened, off JoJo went! Thank you, God, for this wonder of nature!
