

ELEVEN FACTS IN LIFE

Before you read these facts, please understand that Commander Drew wholeheartedly believes that...

“G-d is an omnipotent power greater than ourselves, whomever or whatever you choose to call.”

FACT #1

WAKE UP, SHOW UP, and PAY ATTENTION, especially to detail.

Take responsibility for your actions and control your emotions. Be honest, open-minded and willing to change.

FACT #2

BE HAPPY, BE NICE, and HAVE FUN!

Live life to the fullest. The goal is a long, healthy, and happy life. Be better than your parents, and make this world better for your children.

FACT #3

The Circle Theory

EVERYTHING YOU DO COMES BACK TO YOU.

In life, you get away with nothing.

Make a negative into a positive, and learn from the past.

Times of struggle are times of growth, proportionally.

FACT #4

HAVE PURPOSE. Find your gift and use it.

SUCCESS is waking up everyday, doing what you love and doing it well.

Earn a good living, using a skill or trade you enjoy.

Work hard (study), work smart (think), and don't quit.

FACT #5

The Art of Thought, The Art of Communication, The Art of Action

EDUCATION is necessary.

Knowledge (is learned) and Wisdom (to teach) are Mandatory.

Know the rules, they change with the game. Learn to listen and discern.

Gather good information, prioritize it and then make healthy choices.

FACT #6

GOOD WILL OVERCOME EVIL.

Avoid these eight deadly sins.

- A. Pride – Too much ego & vanity mean low self-esteem. Humility is Power.
Have Honor.
- B. Envy – is jealousy; the grass is greener on the other side, because it's astro-turf (fake).
- C. Anger – really means fear. Stress is the #1 cause of death. When mad, sit down, shut up, and do nothing for 24 hours.
- D. Sloth – People who are nasty, funky, filthy, lazy and disgusting. G-d doesn't like litterbugs.
- E. Lust – is sex without love.
- F. Greed – is the curse of insatiability. (impossible to satisfy). POWER is the strongest drug known to man.
The love of money is evil.
- G. Gluttony – Drink water, eat right, & exercise. Wake up naturally.
- H. Alcohol & Drugs- The Big Lie. Feel good for a minute, & be miserable for a

lifetime.
Addiction is slavery. Nicotine is the epitome of addiction.

FACT #7

USE COMMON SENSE AND MODERATION.

Have Timing & Balance! Too much of anything is bad. Time heals all.
Sometimes one must surrender to win.

FACT #8

EMIT INTEGRITY and RESPECT!

Don't lie, cheat or steal. Power is asking for help, then using it. Don't be
needy.
Be careful of what you ask for.

FACT #9

DEVELOP SELF-DISCIPLINE

Perform continuous self-examination. Recognize and overcome your
weaknesses. Learn to be still, quiet, and at peace within yourself. Meditate.
Observe A Sabbath. Doing wrong, when you know what is right. Do what
you're supposed to do , not what you want to do, until what you're
supposed to do, becomes what you want to do. Then, you can do what you
want to do. (You know right from wrong).

FACT #10

TREAT OTHERS AS YOU WANT TO BE TREATED.

Don't judge. "We are all one race; the human race."
Forgiveness, patience and tolerance are virtues that set you free.

You are unique. Love yourself and be your own best friend.
If you can't help change your friends, then change your friends.
Good relationships stay healthy when there is,
No I'm better than you' competition and Zero Aggravation.
Would you rather be right or rather be happy?

FACT #11

YOU GOTTA BELIEVE!

Live your life in gratitude and have faith in grace.
Oxygen, Food, Shelter, Clothing, Freedom and Love are Life, PERIOD.
Let Go.

THE ELEVEN FACTS IN LIFE ARE TO BE READ, STUDIED, LIVED, TAUGHT, OR
IGNORED.
