Dear Parents

Prince of Peace will help kids discover the wonders of God's universe in this year's VBS program, "To Mars and Beyond". They'll become Voyagers on a journey through space, exploring where God's power can take them. Along the way, they'll learn how God walked with heroes of the Bible, and that God is always with them too. Add to the adventure with out-of-this-world fun, learning, timeless bible stories that inspire kids to give glory to God, who is able to do far beyond all that we could ask or imagine!

Each evening will start with a light dinner at 6 pm. After a high-energy Opening Assembly time, Voyagers make their way to the Bible Story Station. Students will expand on their discoveries by making their own art projects at the Craft Station, singing new songs at the Music Station and exploring the wonders of creation at the Science Station.
