

My name is Roberta Broekhuizen. I have been a part of Whispering Hills since we purchased our property in 2005, and before that, I had been a guest here on many weekends since 1976. I am married with three children and two grandchildren. Currently I am a member of the Whispering Hills Summer Village Parks Committee and thanks to some wonderful volunteers and a generous donation from the village, I am happy to say that the park is now ready for children.

I am running for council this year as I have recently retired from the government. Being a part of this community for so many years and attending the Annual General Meetings (AGM) I have listened to the concerns that are important to the residents here, dogs, quads, golf carts, the quality of the lake, the overall safety of our community, etc. I look forward to serving you and being actively involved in the local decision-making process and I am excited to be a part of some positive changes, while trying to preserve the dynamics of the place we all love to come to, either as a seasonal or as a full-time resident.

Thank you for this opportunity and stay safe.

Roberta Broekhuizen
