The undersigned hereby agrees that they are the owner/agent of the above-described dog. The undersigned hereby agrees to accept full responsibility and liability for any harm or damage done to the property or others by the dog before, during and after the class. Undersigned will hold BFK9, the assistants, agents and others harmless for the same.

The undersigned agrees to accept full responsibility for the results of any training and does not hold BFK9A or its assistants liable for any actions, damages or disruption of property, people or other animals including but not limited to biting, jumping, running away, death or injury. The undersigned understands that due to the nature of each dog being a living, breathing, individual, any of the aforementioned incidents may occur, even after completion of any training, and agrees to hold the BFK9 instructors and assistants harmless for the same.
