

Before and After Care Registration & Information

Our Panther Before and After Care program for the 2021-2022 school year is already underway! The pricing structure is identical to the previous school year and included below for your reference. To ensure that we have enough staff, supplies, and materials to coordinate a quality and comprehensive program and to verify the parents that expressed interest in before/after care via the Articulation Survey, we are asking that **Starting Monday, August 16th, ONLY parents that paid the \$25 registration fee and August Fee (listed below) will be provided before/after care.** Please note that to streamline payment processes this year, just like for uniforms and other materials, parents will be able to conveniently pay this fee online via the school store on our website every month.
