

10. IT'S YOUR GRACE

V1

By Your blood You justified me
By Your wounds I am made whole
Conquered death and tore the curtain
Lord, You came to bring me home

C

You alone are my salvation
You alone are my hope
I will trust in my Maker
I will rest in Your hands

V2

It's Your grace that overtakes me
It's Your grace Lord, this I know
To win the lost and heal the broken
To bring them all back to Your throne

C

V3

Sin and death can't separate me
From this love I can't deny
For I was chosen by my Father
For Him to praise and glorify
