V1

You took my place on Calvary
My sin made Yours
You set me free
And now You stand
Forever strong
Jesus, Your love goes on

You are the light
That brings the dawn
You are my strength in every storm
When all else fades
You will remain
Jesus

There is no one like You, God
There is no one like You, God
All our praise belongs to You, Jesus
There is no one like You, God

Nothing compares to Your great love
I am redeemed
Through what You've done
In You I find eternity
Jesus

The King of kings
