

## **4. LEAVE IT AT THE CROSS**

### **V1**

I leave it at the cross  
Where blood and mercy flow  
Where sin has come undone  
In the shadow of Your love

### **V2**

Salvation made complete  
My ransom paid in full  
Where death has lost its sting  
Your life is taking hold

### **Pre-C**

I surrender all to You  
Oh, I surrender all to You

### **C**

Holy  
Worthy is Your name  
Jesus  
With everything I am  
I sing Hallelujah  
I sing Hallelujah

### **V3**

I count it all as loss  
My life belongs to You  
A prisoner of grace  
A captive of the truth

### **V4**

Your love defeated all  
That stood within the fault  
Just to know You, Lord  
And fall into Your arms

### **Pre-C**

### **C (x2)**

### **Bridge (x2)**

Running into Your arms  
There is nothing that I want more  
Than to be where You are

### **Pre-C (x2)**
