

## **8. ALL MY DAYS**

### **V1**

Your Spirit calls out to every heart  
To sing, to lift You high  
My only aim, to rejoice in You always

### **V2**

I lift my hands and I give my life  
As an offering, as an anthem to You  
I lay me down as I join in heaven's praise

### **C**

All I want is to sing Your praise  
Hallelujah, for all my days  
Like a fire I can't contain  
It burns within me

### **V2 (Repeat)**

### **C (x2)**

### **Bridge (x2)**

Can You hear the sound  
The praise of God resound  
The name of Jesus  
Be lifted up

The name above all names  
You are the God who saves  
The name of Jesus  
Be Lifted up

### **C (x2)**
