

## 9. HEART CRY OUT

### V1

Bound by sin and shame  
Blind and weak  
Hopeless in my faults  
And agony

### V2

Messiah came to break  
The bonds in me  
Shackles now undone  
Forever freed

### C

Every knee will bow  
Every heart cry out  
Praises to our Lord

Every tongue confess  
His love and righteousness  
Praises to our Lord

### V3

Savior hung upon  
A wretched tree  
Cursed and turned against  
All willingly

### V4

Wrapped in linen cloth  
And buried deep  
The grave could not contain  
His majesty

### C

### Bridge (x4)

You defeated death  
Rose again  
The Son of God  
Jesus Christ our King

### C (x2)
