General

[Understanding the UL Directories 101](#), sponsored by National Gypsum Company

Locally represented by Thad Goodman, National Gypsum Company, P: 614-214-5666, thadg@nationalgypsum.com

Division 3

[Polished Concrete](#), Sponsored by Ardex Americas

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Alyssa Sineway, Ardex Americas, P: 724-544-6577, Alyssa.sineway@ardexamericas.com

Division 4

[Innovative Cement Board Applications w/ Continuous Insulation](#), sponsored by National Gypsum Company

Locally represented by Thad Goodman, National Gypsum Company, P: 614-214-5666, thadg@nationalgypsum.com

Division 6

[High-Performance Gypsum Panels: Benefits for Moisture Management and Project Scheduling](#), Sponsored by Georgia Pacific

Locally represented by Colin Vaughan, Georgia Pacific, P: 317-608-8921, colin.vaughan@gapac.com

[Overview of Firewalls and the Use of Glass Mat Gypsum Shaftliner Panels](#), Sponsored by Georgia Pacific

Locally represented by Colin Vaughan, Georgia Pacific, P: 317-608-8921, colin.vaughan@gapac.com

Division 7

[Code-Compliance Conflicts in the Exterior Wall Assembly](#), Sponsored by Laminators, Inc.

Locally represented by Adam Olson, Olson Architectural Products, P: 614-507-0023, adam@oapinc.us

[Metal Roofing: History, Materials and Applications](#), sponsored by ATAS International

Locally represented by Dave Weidl, ATAS International, P: 484-553-5409, dweidl@atas.com

[Demystifying Rain Screen Concepts Utilizing Metal Wall Panels](#), sponsored by ATAS International

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Dave Weidl, ATAS International, P: 484-553-5409, dweidl@atas.com

Division 7 continued

Sustainable Building Envelopes, sponsored by ATAS International

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Dave Weidl, ATAS International, P: 484-553-5409, dweidl@atas.com

Basic Room Acoustics and Sound Control Using Metal Panels, sponsored by ATAS International

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Dave Weidl, ATAS International, P: 484-553-5409, dweidl@atas.com

Design & Testing of Perimeter Edge Metal for Low-Slope Commercial Roofs, sponsored by ATAS International

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Dave Weidl, ATAS International, P: 484-553-5409, dweidl@atas.com

Insulated Metal Wall and Roof Panels – High Performing Systems in Design, Sustainability, and Operation, sponsored by ATAS International

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Dave Weidl, ATAS International, P: 484-553-5409, dweidl@atas.com

Metal Coil Coating Technology – Processing and Performance of Prepainted Metal in the Building Products Industry, sponsored by ATAS International

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Dave Weidl, ATAS International, P: 484-553-5409, dweidl@atas.com

Solar Air Heating, sponsored by ATAS International

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Dave Weidl, ATAS International, P: 484-553-5409, dweidl@atas.com

Advantages of Using Coverboards in Low Slope Roof Assemblies, sponsored by National Gypsum Company

Locally represented by Thad Goodman, National Gypsum Company, P: 614-214-5666, thadg@nationalgypsum.com

Who's the Culprit in WRB-AB Leakage?, sponsored by Georgia Pacific

Locally represented by Colin Vaughan, Georgia Pacific, P: 317-608-8921, colin.vaughan@gapac.com

Changing the Way We Think of Prefabrication: New Solutions for Your Building Envelope, sponsored by Georgia Pacific

Locally represented by Colin Vaughan, Georgia Pacific, P: 317-608-8921, colin.vaughan@gapac.com

Making Transitions: Keeping Air and Water Barrier Continuous, sponsored by Georgia Pacific

Locally represented by Colin Vaughan, Georgia Pacific, P: 317-608-8921, colin.vaughan@gapac.com

The Evolution of Water-Resistive and Air Barriers in Commercial Building Envelope Construction, sponsored by Georgia Pacific

Locally represented by Colin Vaughan, Georgia Pacific, P: 317-608-8921, colin.vaughan@gapac.com

Locally represented by Adam Olson, Olson Architectural Products, P: 614-507-0023, adam@oapinc.us

Benefits of a Rigid Cover Board in Commercial Roofing Systems, sponsored by Georgia Pacific

Locally represented by Colin Vaughan, Georgia Pacific, P: 317-608-8921, colin.vaughan@gapac.com

Division 7 continued

[Selecting Rigid Cover Boards in Commercial Roofing Systems](#), sponsored by Georgia Pacific

Locally represented by Colin Vaughan, Georgia Pacific, P: 317-608-8921, colin.vaughan@gapac.com

[Firestop 101: A Life Safety Issue](#), sponsored by Hilti

Locally represented by Brittany Johnson, Hilti Field Engineer, Ohio. P: 614-698-9852, Brittany.Johnson@hilti.com

[Facade 101: An Overview of Facade Design for Architects](#), sponsored by Hilti.

Locally represented by Brittany Johnson, Hilti Field Engineer, Ohio. P: 614-698-9852, Brittany.Johnson@hilti.com

[Steel Protection 101: An Overview of Fireproofing on Structural Steel Members](#), sponsored by Hilti.

Locally represented by Brittany Johnson, Hilti Field Engineer, Ohio. P: 614-698-9852, Brittany.Johnson@hilti.com

[Green Building 101: Product Contribution for Sustainable Design](#), sponsored by Hilti.

Locally represented by Brittany Johnson, Hilti Field Engineer, Ohio. P: 614-698-9852, Brittany.Johnson@hilti.com

[High Performance Commercial Wall System Design](#), sponsored by DuPont / Performance Building Solutions

Locally represented by Jim Antoncic, Dupont Performance Building Solutions, P: 614-361-6243,

jim.antoncic@dupont.com

[Don't Lose R over the Z](#), sponsored by DuPont / Performance Building Solutions

Locally represented by Jim Antoncic, Dupont Performance Building Solutions, P: 614-361-6243,

jim.antoncic@dupont.com

[Designing Energy Efficient Steel Stud Wall Assemblies](#), sponsored by DuPont / Performance Building Solutions

Locally represented by Jim Antoncic, Dupont Performance Building Solutions, P: 614-361-6243,

jim.antoncic@dupont.com

[Fire-Tested Wall Assemblies](#), sponsored by DuPont / Performance Building Solutions

Locally represented by Jim Antoncic, Dupont Performance Building Solutions, P: 614-361-6243,

jim.antoncic@dupont.com

[Consolidated Control Layers](#), sponsored by DuPont / Performance Building Solutions

Locally represented by Jim Antoncic, Dupont Performance Building Solutions, P: 614-361-6243,

jim.antoncic@dupont.com

[Sustainable Roofing Design](#), sponsored by DuPont / Performance Building Solutions

Locally represented by Jim Antoncic, Dupont Performance Building Solutions, P: 614-361-6243,

jim.antoncic@dupont.com

[Keep It Tight-Why and How Specifying Air Sealing Can Improve the Building Envelope](#), sponsored by DuPont /

Performance Building Solutions

Designing for Performance – Single Ply Lessons Learned over 40 years, sponsored by Versico Roofing Systems.

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Philip Fait, Versico Roofing Systems, P: 859-360-9225, pfait@roofspecsolutions.com

Defining the Standard for 50 years, sponsored by Versico Roofing Systems.

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Philip Fait, Versico Roofing Systems, P: 859-360-9225, pfait@roofspecsolutions.com

PVC Roofing Materials- Performance, Construction, Functionality, sponsored by Versico Roofing Systems.

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Philip Fait, Versico Roofing Systems, P: 859-360-9225, pfait@roofspecsolutions.com

Roofing Market Trends & Advantages of FB Membranes, sponsored by Versico Roofing Systems.

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Philip Fait, Versico Roofing Systems, P: 859-360-9225, pfait@roofspecsolutions.com

Single Ply Roofing Technology, sponsored by Versico Roofing Systems.

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Philip Fait, Versico Roofing Systems, P: 859-360-9225, pfait@roofspecsolutions.com

TPO Technology: Performance & Recent Developments, sponsored by Versico Roofing Systems.

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Philip Fait, Versico Roofing Systems, P: 859-360-9225, pfait@roofspecsolutions.com

Energy Performance, Impact of Roof Color, System Type, Climate & Insulation, sponsored by Versico Roofing Systems.

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Philip Fait, Versico Roofing Systems, P: 859-360-9225, pfait@roofspecsolutions.com

Architectural Insulated Metal Panels – What’s Next, sponsored by Centria

**Available as a remote meeting for your group. Please contact your local rep below

Locally represented by Michael Rathburn, Centria, P: 614-767-9663, msrathburn@centria.com

Modular Metal Panel Systems – Understanding the Benefits of Modular Metal Panel Systems, sponsored by Centria

Locally represented by Michael Rathburn, Centria, P: 614-767-9663, msrathburn@centria.com

Maximizing Envelope Performance with IMP-Integrated Component, sponsored by Centria

Locally represented by Michael Rathburn, Centria, P: 614-767-9663, msrathburn@centria.com

Building the Perfect Envelope with Insulated Metal Panels, sponsored by Centria

Locally represented by Michael Rathburn, Centria, P: 614-767-9663, msrathburn@centria.com

Fire Code Compliance and Insulated Metal Panels, sponsored by Centria

Locally represented by Michael Rathburn, Centria, P: 614-767-9663, msrathburn@centria.com

Division 8

[Designing with Fire Rated Glass](#), sponsored by SAFTI First

Locally represented by Adam Olson, Olson Architectural Products, P: 614-507-0023, adam@oapinc.us

[Digital Printing: Custom Architectural Glass Solutions](#), sponsored by Standard Bent Glass

Locally represented by Adam Olson, Olson Architectural Products, P: 614-507-0023, adam@oapinc.us

[Daylighting Design Update](#), sponsored by Guardian Glass

Locally represented by Kreg Hatfield, Guardian Glass, P: 810-964-0074, khatfield@guardian.com

[Evolution of Glass and Performance Coating](#), sponsored by Guardian Glass

Locally represented by Kreg Hatfield, Guardian Glass, P: 810-964-0074, khatfield@guardian.com

[Ventilated Glass Facades & Rainscreens](#), sponsored by Bendheim

**Please contact Janice Sanchez (jsanchez@bendheim.com) to schedule a remote meeting with one of our design consultants. Remote meetings are available on a "first come first served" basis for groups of 5 or larger. Currently, we will offer them through the end of May or until they are no longer necessary.
