

2021 ATHENA AWARD PROGRAM

*Supporting, developing and honoring women leaders.
Inspiring women to achieve their full potential.
Creating balance in leadership in our community.*

The Greater Owensboro Chamber of Commerce and Girls Incorporated will again be presenting the prestigious ATHENA Award to an individual in our community. This award is presented to someone who has attained and personified the highest level of professional excellence in their business or profession; has devoted time and energy to the community in a meaningful way; and most especially, has generously assisted women in attaining their full potential. Each ATHENA recipient is invited to join other recipients throughout the United States and beyond to create new leadership programs and bring ideas back home.

The ATHENA recipient will be selected from nominations and supporting documentation. We need your help in identifying potential recipients. Within your organization there are undoubtedly some individuals who are outstanding professional and community leaders who have had positive impact on women. Or you may know of someone through your personal or professional contacts. We urge you to use this nomination form to let us know who they are.

Through this program, we hope to build awareness of and honor the valuable contributions being made by men and women in our community.
