I have agreed to three separate, one-hour private lessons in lieu of placing my dog with Must Love Dogs NW. This training serves as an attempt to keep my dog in its current home while correcting behavioral issues. \_\_\_\_\_ (*initial*)

MLDNW has agreed to pay for three private lessons with their preferred dog trainer. This contract has a value of \$85 per hour, a total value of \$255.

I understand that I am accountable for finishing the scheduled training within three months in hopes of keeping the dog permanently in its current residence in lieu of placement with Must Love Dogs NW. \_\_\_\_\_ (*initial*)

If, after completing the training, I am still unable to keep my pet in my home, I agree that Must Love Dogs NW will have the first right of refusal to accept the dog into their program. I will relinquish all ownership rights if my dog is accepted into Must Love Dogs NW program. \_\_\_\_\_ (*initial*)
