Inclusive Schools Week: December 7-11, 2020

Join us during the first full week of December as we celebrate students of all abilities at Lees Corner!

Here are some ideas of activities to promote inclusion:

- ❑ Ask children to write about a time that they didn't feel included in a group. Talk about how it made them feel. Ask them how their experiences relate to anyone who is perceived as different and what challenges they might face in a school or home setting.
- ❑ Have your children write down what makes them unique. Talk about what makes some children the same and different.
- ❑ Remind your children to be kind to everyone:
