

# CONNECTING THE CHURCH IN MISSION

Susanna Wesley House Team

Greeting from Cambodia!

Merry Christmas! JESUS has come for us!

I'm Hyein Lee. I am so glad to join Global Mission Fellows. This is my first official newsletter. I came to Cambodia August 28, 2019. I have already been living here more almost 4 months.

When I first came here, everything was totally different for the first few weeks. I was living alone overseas for the first time and living environment was different from Korea. However, many people welcomed and helped me. So, I quickly adapted to life here in Cambodia.

My GMF position is activities coordinator of Susanna Wesley House in Phnom Penh for Cambodian university students. The Susanna Wesley House has 6 new students from Kampong Thom and Takeo this year, and in total, we have 21 students living here.

I meet with the students every day during the devotion time. We gather to praise and read the bible. We also share our prayer requests and spend time to give thanks to God. Sometimes, we have some fun activities to build good relationships because our students come from difference provinces.

## Please Pray For

- I pray that I'd become a messenger of Christ's love here in Cambodia.
- For Susanna Wesley House (SHW) students, pray for their growth in the Lord and for their dreams to come true and to be good influence as Christians.
- Pray for me get adjusted to Cambodia, the filling of the Holy Spirit, health, language learning (Khmer).

I thank God for my beautiful co-workers, Janice Lee and Reasey Long. They are wonderful people. We are always considering how we can help our students' needs.

Starting next year, I'm planning to start a music class for the students. Many students in Cambodia have not had music classes in school. So, it may be a challenge to teach the students to read and play the music notes, but I look forward to the music ministry. I hope that these things will be carried out by the Lord, not by my strength.

My daily routine in Cambodia includes working at the GBGM Cambodia office and visiting the dormitory every day for devotions. I work cooperatively with the SWH team at the office. I am also learning Khmer. Learning a new language is interesting but not easy. But I can speak and understand a bit (in Khmer: tic-tic). I'm so glad. Sometimes traffic jams and hot weather make things hard for me, but I am happy to take this opportunity to share the love of God that I have received.

Please support me with prayer and give for the future of Cambodia mission.

Once again, Merry Christmas and Happy New Year.

*Grace of the Lord be with you.*  
Hyein.
